IFGTB organises awareness campaign

The Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore, observed World Wetlands Day with an awareness campaign and an in-house quiz competition on January 31.

C. Kunhikannan, Director, ICFRE-IFGTB, inaugurated the campaign and released an awareness poster emphasising the significance of wetlands. Rekha R. Warriar, Scientist G and EIACP Coordinator; B. Nagarajan, Group Coordinator – Research; and S. Vigneswaran, Senior Programme Officer, spoke at the event, which was organised to raise awareness about the vital role of wetlands among students and the general public.
