

Forest corporation's Yamunanagar unit gets ISO certification

15 February 2021

The Haryana Forest Development Corporation (HFDC) has successfully implemented quality management systems at its Yamunanagar manufacturing unit in line with ISO 9001:2015 standards.

Deepak Alwadhi, general manager at the Yamunanagar unit, said the decision to become ISO 9001:2015 certified was a proactive one that not only anticipated the demands of customers, but also demonstrated a commitment to provide quality products and services.

"We will always strive to exceed expectations. With our goals focused on the emphasis of quality assurance and innovative production, we look forward to bringing business to new heights," he said.

"The HFDC has been undertaking tree felling and wood extraction from earmarked government forests. Development of forests and raising of plantations are major activities of the HFDC, which has diversified its activities," said Vinod Kumar Bhatia, chief general manager.
