

Plantation drive for clean, green Hoshiarpur district

03 August 2021

Guru Nanak International Trust, UK, which provides education to the poor and helpless children, organised a plantation drive at Guru Nanak Holy Forest, Ajjowal. District Forest Officer Amnit Singh was present on the occasion.

Guru Nanak Holy Forest Project Coordinator Prof Bahadur Singh talked about the working mechanism of the trust and said the need of the hour was that every person must plant at least one tree for himself and his family to provide a clean and pure environment to the coming new generation. He thanked the members. Dr Ranjit Singh said the rising pollution was a matter of great concern and the only solution was to plant as many trees as possible to get a clean environment. DFO Amneet Singh thanked the organisation for the service and said every person should come forward for this noble cause.
